

MC2+[®]

Rapide

MC2[®] Central Heating System SILENCER

High performance *MC2+ RAPIDE* effectively reduces boiler noise and restores heat efficiency. *MC2+ RAPIDE* provides faster, stronger and easier dosing; allowing a 125 litre system to be dosed in just 20 seconds. Suitable for use in both sealed and open vented central heating systems, old and new.

- Prevents boiler noise
- Treats 125 litres in 20 seconds
- Eliminates limescale
- Ensures optimum boiler efficiency
- Compatible with all metals including aluminum
- Environmentally friendly

Physical and chemical properties

Appearance:	Liquid
Colour:	Colourless
Odour:	Slight
Solubility:	Fully miscible
pH (concentrated solution):	10.0
Relative Density:	1.04 g/cm ³

Product uses

For the reduction of boiler noise and improving heat efficiency, *MC2+ RAPIDE*, delivers effective protection for domestic central heating systems.

How to use

300ml of *MC2+ RAPIDE* treats up to 125 litres or 15 single panel radiators.

Introduce *MC2+ RAPIDE* to the system using the adaptor provided via the filling loop, radiator or via a *MagnaClean*[®] filter air vent.

For larger or heavily fouled systems, use further *MC2+ RAPIDE* as required.

MC2+ RAPIDE should remain in the system.

For long term system protection use *MC2+ RAPIDE* in conjunction with ADEY's *MC1+* Protector.

N.B. NOT for use in single feed indirect cylinders.

Application

MC2+ RAPIDE is suitable for all sealed and open-vented central heating systems, old and new.

MC2+ RAPIDE is not suitable for use in single feed indirect "primatic" cylinders where potable water treatment is required.

Packaging, handling and storage

Available in 300ml canister.

MC2+ RAPIDE is non-hazardous, but as for all domestic chemicals, avoid direct contact with the substance, keep out of reach of children and avoid contact with eyes and skin.

Warning: Pressurised container: May burst if heated. Protect from sunlight and do not expose to temperature exceeding 50°C. Do not pierce or burn, even after use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep out of reach of children. Use only as directed.

Store in a cool location between 0°C -35°C. Store only in the original receptacle.
