

MC4+[®]

Rapide

MC4[®] Central Heating System LEAK SEALER

High performance *MC4+ RAPIDE* effectively seals small system leaks and weeping joints. *MC4+ RAPIDE* provides faster, stronger and easier dosing; allowing a 125 litre system to be dosed in just 20 seconds.

Suitable for use in both sealed and open vented central heating systems, old and new.

- High performance leak sealer
- Seals small inaccessible leaks and weeping joints
- Treats 125 litres in 20 seconds
- Reduces pressure loss in sealed systems
- Avoids costly maintenance repairs
- No blocked pumps, valves or air-vents
- Suitable for all heating systems

Physical and chemical properties

Appearance:	Viscous liquid. Emulsion
Colour:	White/Off-White
Odour:	Slight
Solubility:	Dispersible in water
pH (concentrated solution):	7.0
Bulk Density:	1.0 g/cm ³

Product uses

Sealing small system leaks and weeping joints, the silicone emulsion sealer, *MC4+ RAPIDE*, effectively reduces pressure loss on both sealed and open-vented systems.

How to use

300ml of *MC4+ RAPIDE* treats up to 125 litres or 15 single panel radiators.

Introduce *MC4+ RAPIDE* to the system using the adaptor provided via the filling loop, radiator or via a *MagnaClean*[®] filter air vent.

For larger or heavily fouled systems, use further *MC4+ RAPIDE* as required.

MC4+ RAPIDE should remain in the system.

N.B. NOT for use in single feed indirect cylinders.

Application

MC4+ RAPIDE is suitable for all sealed and open-vented central heating systems, old and new.

MC4+ RAPIDE is not suitable for use in single feed indirect "primatic" cylinders where potable water treatment is required.

Packaging, handling and storage

Available in 300ml canister.

MC4+ RAPIDE is non-hazardous and while providing effective treatment is non-toxic and biodegradable.

However, as for all domestic chemicals, keep out of reach of children. Avoid contact with skin and eyes.

Warning: Pressurised container: May burst if heated. Protect from sunlight and do not expose to temperature exceeding 50°C. Do not pierce or burn, even after use. Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Keep out of reach of children. Use only as directed.

Store in a dry, cool and well-ventilated area. Keep container tightly closed. Must only be kept in original packaging.
